VOLUNTEER HOUR

I understand that I must volunteer 1 hour of my time at an ABS-sponsored table during the Gala. My first and second choice preferences are below. Please indicate your first and second choice with a "1" and "2."

Make-It, Take-It Table: Assist the public in making simple bead projects (proceeds go to charity)

Beads of Courage Table: Explain The Beads of Courage Charity and sell Sponsor Beads

Demo table: Demonstrate techniques, providing your own tools, supplies and relevant safety items. Please detail the skill you would like to demo here:

Alaska Bead Society Table: Introduce patrons to our fun organization, sell memberships and ABS items (tote bags, mugs, etc.). Hand out programs to people entering the museum and direct them to visit all our Gala artists in the Atrium, our Summer Challenge beadwork exhibit, and our Featured Artist. Show the different stitches with stitch sample boards.

Thank you for volunteering & making the Gala a success!
